Hi David,

We received a notice about the 'rethink zoning' in City of Everett. We are the owner of 1413 E. Marine view Dr. Everett WA 98201 and we recently purchased the empty land right next to our 4-plex from the City of Everett. The zoning for our current 4-plex land is C1 and we would like to request for the new land we purchased (1409 E. Marine view Dr. Everett Wa 98201) to be the same zoning for the future development. For now, we are planning to use the empty land as a parking space for the neighborhood. Please let us know how we can request the changes.

Thank you,
Justin Lee & Angela Choi
